# Change Password on Your Device

## Step 1

From the Home Screen, press the **Menu button** in the middle of the screen.

## Step 2

Press the **Page Down** button to display the second page. Select the **Setup** option.

## Step 3

Select the **Change Password** option. You will be prompted to enter the current password for the terminal.

*NOTE: The default password for the terminal is the last four digits of the EPI.*

# Step 4

Enter the new password and press the OK button.
