

Generating API KEYS (Shopping Cart Plugins)

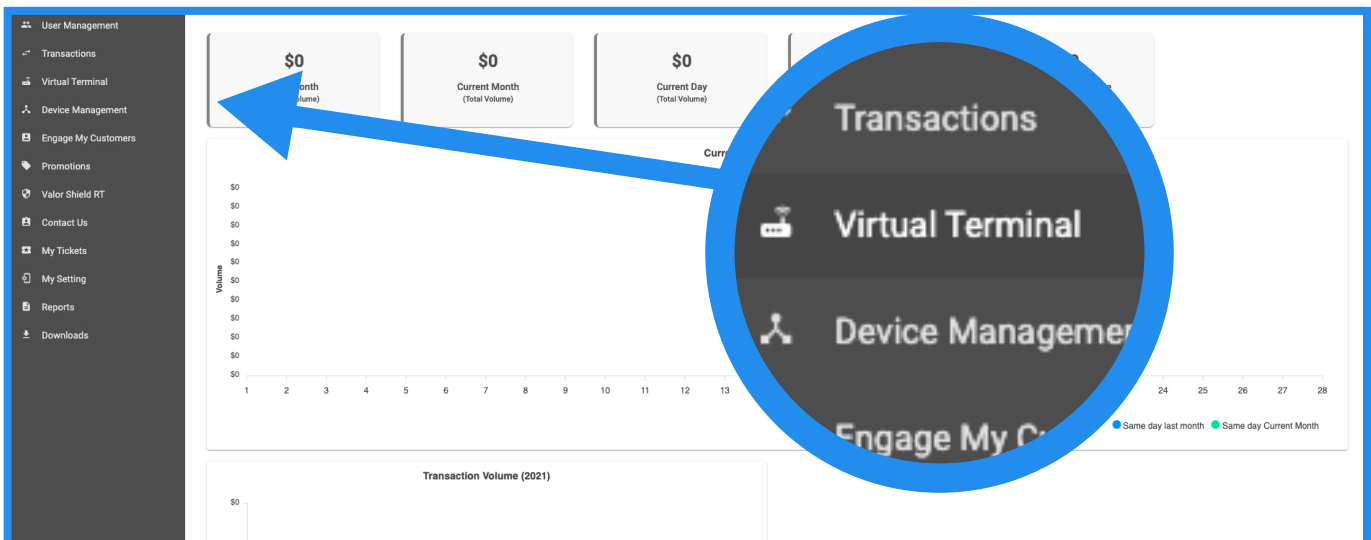

Step 1

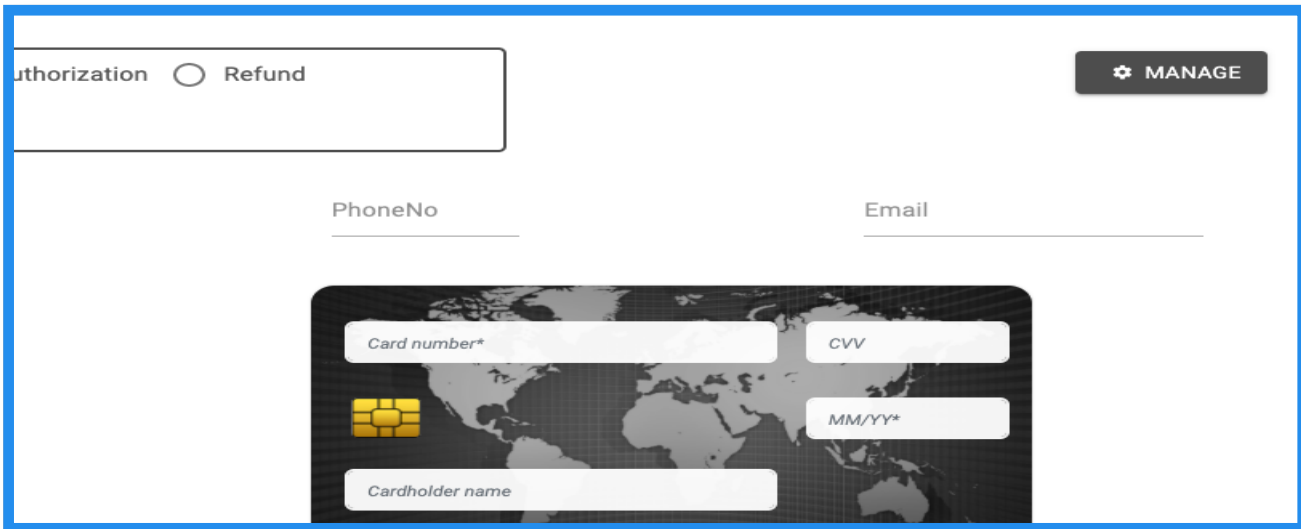

Go to www.online.valorpaytech.com and enter your login credentials.

Step 2

Once logged in, click on **Virtual Terminal Tab** on the sidebar menu.

Step 3

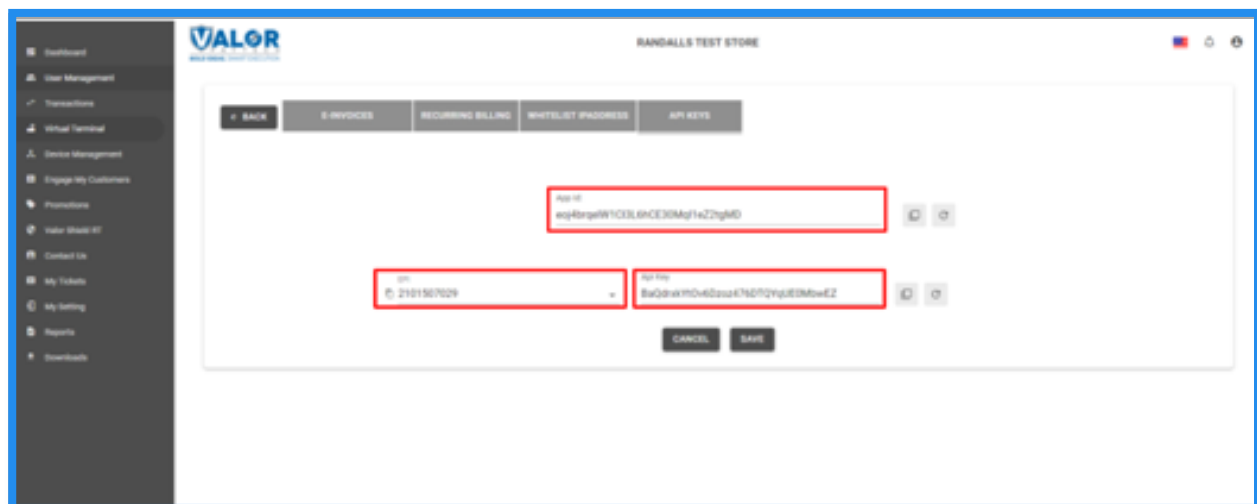

The screenshot shows a payment form with the following elements:

- At the top left, there are radio buttons for "Authorization" (selected) and "Refund".
- At the top right, there is a "MANAGE" button with a gear icon.
- Below the radio buttons, there are input fields for "PhoneNo" and "Email".
- In the center, there is a dark-themed card input form with a world map background and a yellow chip icon. It contains three input fields: "Card number*", "CVV", and "MM/YY*".
- At the bottom of the card input form, there is a "Cardholder name" input field.

Click on the **Manage** icon on the top right of the screen.

Step 4

The screenshot shows the "RANDALLS TEST STORE" interface with a sidebar on the left. The main content area has a navigation bar with "BACK", "E-INVOICES", "RECURRING BILLING", "WHITELIST IPADDRESS", and "API KEYS". Below this, there are three input fields with red borders:

- The first field is labeled "API ID" and contains the value "eq4RqWfWfC3L6ACE30Mg1xZ7y6d".
- The second field is labeled "API KEY" and contains the value "8xQdWfM04Dzue7N6TQvUeE3MwE2".
- The third field is labeled "EPI" and contains the value "E: 21215E7029".

At the bottom of the form, there are "CANCEL" and "SAVE" buttons.

Create the API ID and API Key by clicking the drop down for the EPI, select your EPI, and the API Key will automatically be generated.

Step 5

Copy the APP ID, API Key, and the EPI and click on the Save button once the API Keys and EPI have been mapped.
