Step 3

Check the User Profile associated with the **Merchant** you would like to **Reset Password OR Resend Activation** for. Select the **Action** button and select either **Resend Activation** or **Reset Password**.

The screenshot displays a dashboard with five summary cards at the top: Users (639), Sub Iso (55), Merchants (466), Operators (82), and Internal User (36). Below these is a table of users with columns for Email, Full Name, Mobile Number, User Type, Ownedby, and Action. The first row is selected, and the 'Action' dropdown menu is open, showing options: Delete, Activate, Resend Activation, Reset Password, De-Activate, View audit log, Export, and Show Office. A callout box highlights the 'Resend Activation' and 'Reset Password' options.
