The **Power** of **Customer** Engagement

Increase Merchant Revenue | Decrease Attrition

VALOR PAYTECH

Analyze your customers spending habits and send targeted marketing campaigns, all within the Valor Portal.

ENGAGE ™
My Customer

Customer Retention

Protect Your Reputation
Using Valor's survey tool with **Engage My Customer**™ empowers merchants to instantly respond to negative feedback, stopping bad reviews before they occur.

Win Back Lost Customers
Send targeted marketing campaigns to customers who have stopped visiting your business for a specified amount of time and win them back.

Digital Receipt Marketing

By encouraging customers to "go green" and opt for an SMS receipt, merchants not only help protect our environment they

• Collect customer's contact information to use for future marketing purposes.
• Can add powerful marketing messages and clickable links to the digital receipt.

Target VIP & Large Spenders

"Thank you for being a valued VIP customer. "

Retain VIP Customers
Customers that frequently visit your business should never be lost. Stay in communication with your VIP Customers and they will never leave.

Market to High Spenders
In most businesses, 20% of your customers account for 80% of your revenue. Losing one is not an option. Stay in communication and keep them spending.

When do my customers spend?

Understanding when your customers spend money is a valuable statistic. Prepare your business for the busy times and send marketing messages to increase traffic during slow times.

• Protect your store from fraud with advanced security features.

THE
VAULT
Powered by VALOR PAYTECH

Securely **Store** and **Manage** Your Payment Information

VALOR
PAYTECH

The Vault

The Vault will make transactions more accessible and secure for our merchants by providing a safe and compliant way to store and access their customers' card nformation.

Advanced Security

Robust encryption and advanced security measures keep your payment data safe.

Multi-Platform Compatibility

Access your payment information securely from any device.

Convenient Payment Storage

Easily store and access your card information for seamless transactions.

Streamlined Management

Effortlessly add, remove, and update payment methods within The Vault.

Why Choose The Vault?

Unparalleled Security

Protect your sensitive payment information with state-of-the-art security features, providing peace of mind with every transaction.

Simplified Payment Process

Enjoy the convenience of storing your payment details in one secure location, reducing the need for repetitive data entry.

Enhanced Efficiency

Save time and effort with quick access to your stored payment methods, making online purchases faster and more streamlined.

Flexibility and Accessibility

Access your stored payment information across multiple platforms, allowing for convenient payments wherever you go.
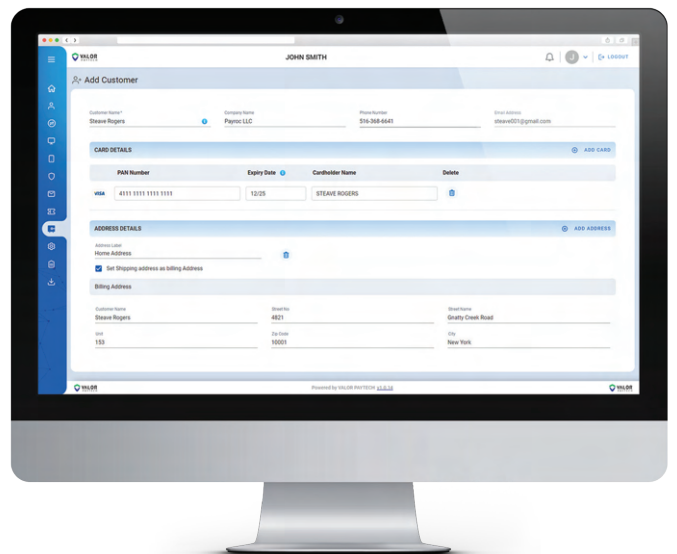

Where **Innovation** & **Simplification** Meet

One-click Software Integration

VALOR
CONNECT

VALOR
PAYTECH

Instant **cloud integration** is just a **click away**

Instant Integration

ISOs and merchants can select any supported POS solution and instantly integrate it with any Valor device.

Remote Setup

Combining our cloud detection software with our instant integration capability allows for the full setup to be completed remotely, eliminating the cost of deploying expensive labor for onsite integration.

VT to Card Present

In addition to ISV integrations, Valor Connect will allow a Virtual Terminal transaction (CNP) to be rerouted to a Valor terminal for a card present transaction.

Supported Platforms

TSYS | **fiserv.** | **epx** electronic payment exchange

(OMAHA, NORTH, NASHVILLE, BYPASS, CARDNET)

ElectronicPayments® | **M** POWERED BY PRIORITY

Elavon | **worldpay**

Cloud Detect

Once Valor Connect has been enabled for a device in the Valor portal, our cloud detection technology will easily locate and display the enabled devices to select for integration.
Menu & Inventory Sync

By syncing the ISV's inventory with Valor's Omni channel cloud platform, all of the devices connected to the cloud including e-commerce sites, POS devices, and Virtual Terminal will update the inventory in real- time as transactions take place.

VALOR
UPDATER

Experience **Automatic Card Updates**

Reduce Card Declines.

999 999 9999 999
MM/DD/YY

VALOR
PAYTECH

Increase customer loyalty and reduce loss by avoiding expired cards.

Accurate customer payment card data is critical for merchants accepting recurring payments. With the automatic card information update feature of Valor Updater, say goodbye to declined transactions and provide a seamless payment experience for Visa®, Mastercard®, American Express®, and Discover® cardholders.

Outdated information causes declined transactions and added expenses. It leads to payment switches and service cancellations, prompting updates from cardholders. Valor Updater tackles this, automating customer card information updates.

Increase Revenue
Enhance Customer Retention

Reduce Customer Service Costs

Save on Authorization Fees

The **Advantages** of **Valor Updater**

Seamless Service

Revamp your customer relationships effortlessly by providing a seamless, uninterrupted service experience with Valor Updater.

Transparent Customer Updates

Building trust in customer relationships hinges on transparency. Valor Updater ensures that your customers are aware of their account or payment information updates.

VALOR UPDATER

Minimized Decline Disruptions

Offer a final adieu to declined transactions by ensuring the recurring customer card information is up-to-date and minimizes card declines.

Customer Retention

Empower merchants for enhanced customer retention with Valor Updater, preventing card declines through quick updates.
