

RCKT Mobile POS

Secure and Convenient Payment Solutions

The RCKT is the perfect mobile payment solution. This mini portable payment device accepts EMV and fits in your pocket. Additionally, it includes a pin pad for added security.

User-friendly and Intuitive Experience

Experience the user-friendly, lightweight, easy-to-hold device with a spacious touchscreen display. Navigate our intuitive interface with wireless Bluetooth connectivity, ensuring reliability and visibility even in dimly lit environments thanks to backlit keys and a long-lasting battery.

Secure and Convenient Contactless Payments

Expand your customer options with Dual Pricing, Cash Discounts, and Surcharges and embrace the future of payments with advanced card technology, offering choices such as swipe, tap, and dip card payment options.

Enhanced Payment Security

Elevate your security with PCI-PTS 5.0-certified pin pad features, ensuring secure credit, debit, and EBT card transactions. This helps to reduce incidents of counterfeit, lost, and stolen card fraud through EMV security. Your peace of mind is our priority.

Boost Sales with Advanced Technology Expertise

The credit, debit, and EBT-enabled device is equipped with remote key injection for downloading encryption keys. It also features plug-and-play functionality. Additionally, it offers data integration with the Valor platform for unified omnichannel commerce and prioritizes merchant convenience and time-saving.
