VALOR PAYTECH

Tap to Pay

Turn your device into a payment terminal

Accept contactless card and digital wallet payments directly on your compatible smartphone or tablet using the ValorPay Mobile App. No extra hardware. No card reader. Just a simple way to get paid wherever you do business.

Why choose Tap to Pay on Mobile?

Take payments anywhere

Whether you're behind the counter, making deliveries, or providing services on-site, accept payments wherever you do business.

No extra hardware

Use the phone or tablet you already have. There's no need for a separate payment terminal or card reader.

Fast, convenient checkout

Customers can pay with a contactless card or use Apple Pay or Google Pay on their smartphone or smartwatch, making every transaction quick and seamless.

Secure every transaction

Every payment is encrypted, helping protect your business and your customers with every tap.

Perfect for businesses like yours

- Retail stores
- Restaurants & cafés
- Food trucks
- Delivery services
- Home & field services
- Professional services
- Pop-up shops
- Events & markets

How it works

1. **Open** the ValorPay Mobile App
2. **Enter** the sale amount
3. **Customers tap** their contactless card or pay with Apple Pay or Google Pay
4. **Payment is approved**

Getting started is simple

All you'll need:

- Compatible smartphone or tablet
- ValorPay Mobile App
- Active merchant account
- Wi-Fi or cellular connection

Compatible with iPhone XR or newer running iOS 18.4 or later, and Android smartphones and tablets running Android 13 or later with the Tap to Pay Ready app by Visa Inc.

Business benefits

- No additional hardware required
- Use the device you already have
- Fast, secure transactions
- Accept contactless cards, Apple Pay or Google Pay
- Get paid wherever you work

Payments made simple

Simple to set up. Easy to use. Built for secure transactions. Works on compatible Android tablets, including the Samsung Galaxy Tab Active5 5G, Samsung Galaxy Tab Active3, and Blackview Active 8 Pro. iPad is not currently supported.
